## CREATE A NODE RED

## CREATE A CLOUDANT DB

The screenshot displays the Cloudant dashboard interface. The browser's address bar shows the URL: `9f7672f0-b00c-430d-bc43-d7f40f2019b5-bluemix.cloudant.com/dashboard.html#database/medicine_reminder/_all_docs`. The dashboard is titled 'medicine\_reminder' and includes a sidebar with navigation options: All Documents, Query, Permissions, Changes, and Design Documents. The main area shows a table view of documents. A single document is listed with the following details:

id	key	value
294a32e557b716a7aa5efd5411b95f...	294a32e557b716a7aa5efd5411b95f...	{"rev": "1-967a00dff5e02add418191..."}

At the bottom of the dashboard, it indicates 'Showing document 1 - 1' and 'Documents per page: 20'. The Windows taskbar at the bottom shows several open applications, including PDF files and a document, along with the system clock showing 09:57 on 17-11-2022.
